RECONDITIONED 1020 FOR SALE

Type of Machine: Double End Trim Saw
Manufacturer/Model: Norfield 1020
Serial Number: TS-1601
Stock Number: MSS1020-008
Size & Weight:
Age: 1988
Location: Denton, TX
Price: \$18,500.00 Reconditioned
Power: Volts: 240V Phase: 3 Phase Air:
Production Rate: Up to 30 pieces per minute

Features:

- Blade cycles up from inside the machine, assuring operator safety
- Industrial quality 10", 60 tooth carbide-tipped blade for fast, smooth cutting
- Miters and square cuts can be compound beveled up to 10 degrees, providing a consistent fit of casing or brick mold

New feed cylinders, saw cylinders, clamp cylinders, shock absorbers, bushing, formica, belts, new mandrills, flow controls, o-rings, washers, tape measure, and rebuilt all valves

The 1020 Automatic Double End Trim Saw cuts side casing, head casing, brick mold and jamb stock. It quickly miters casing and brick mold, and square cuts stops or jamb stock at up to 30 pieces per minute with its exclusive hopper feeder. This feed system ensures steady feed rate and provides the additional benefit of operator safety. Double end cutting reduces labor cost and changeover from square to miter cuts, allowing quick and easy processing of components of both side and head casings. The time tested construction and reliable components of the 1020 Double End Trim Saw provide you with long term productive service.
